Application for Membership

About us...Radio Five-O-Plus was formed to provide a radio service, particularly for the mature listener of the Central Coast community.

We are staffed entirely by volunteers and our aim is to give listeners musical entertainment and provide them with community information.

Finance for our station is provided by the membership of interested people, by sponsorship of local businesses, grants, fundraising and donations.

Why should you become a member? If you enjoy listening to this great community station joining is a great way of showing us your support. The assistance you give, by way of your subscription or donation, not matter how small, ensures we continue to provide our style of music and information to the Central Coast.

If you would like to support us by becoming a member, please fill in the form below and either, post it to our P.O. Box or if you wish, deliver it to our street address. This information is at the top of the page as part of the letterhead.
